SONY ONLINE
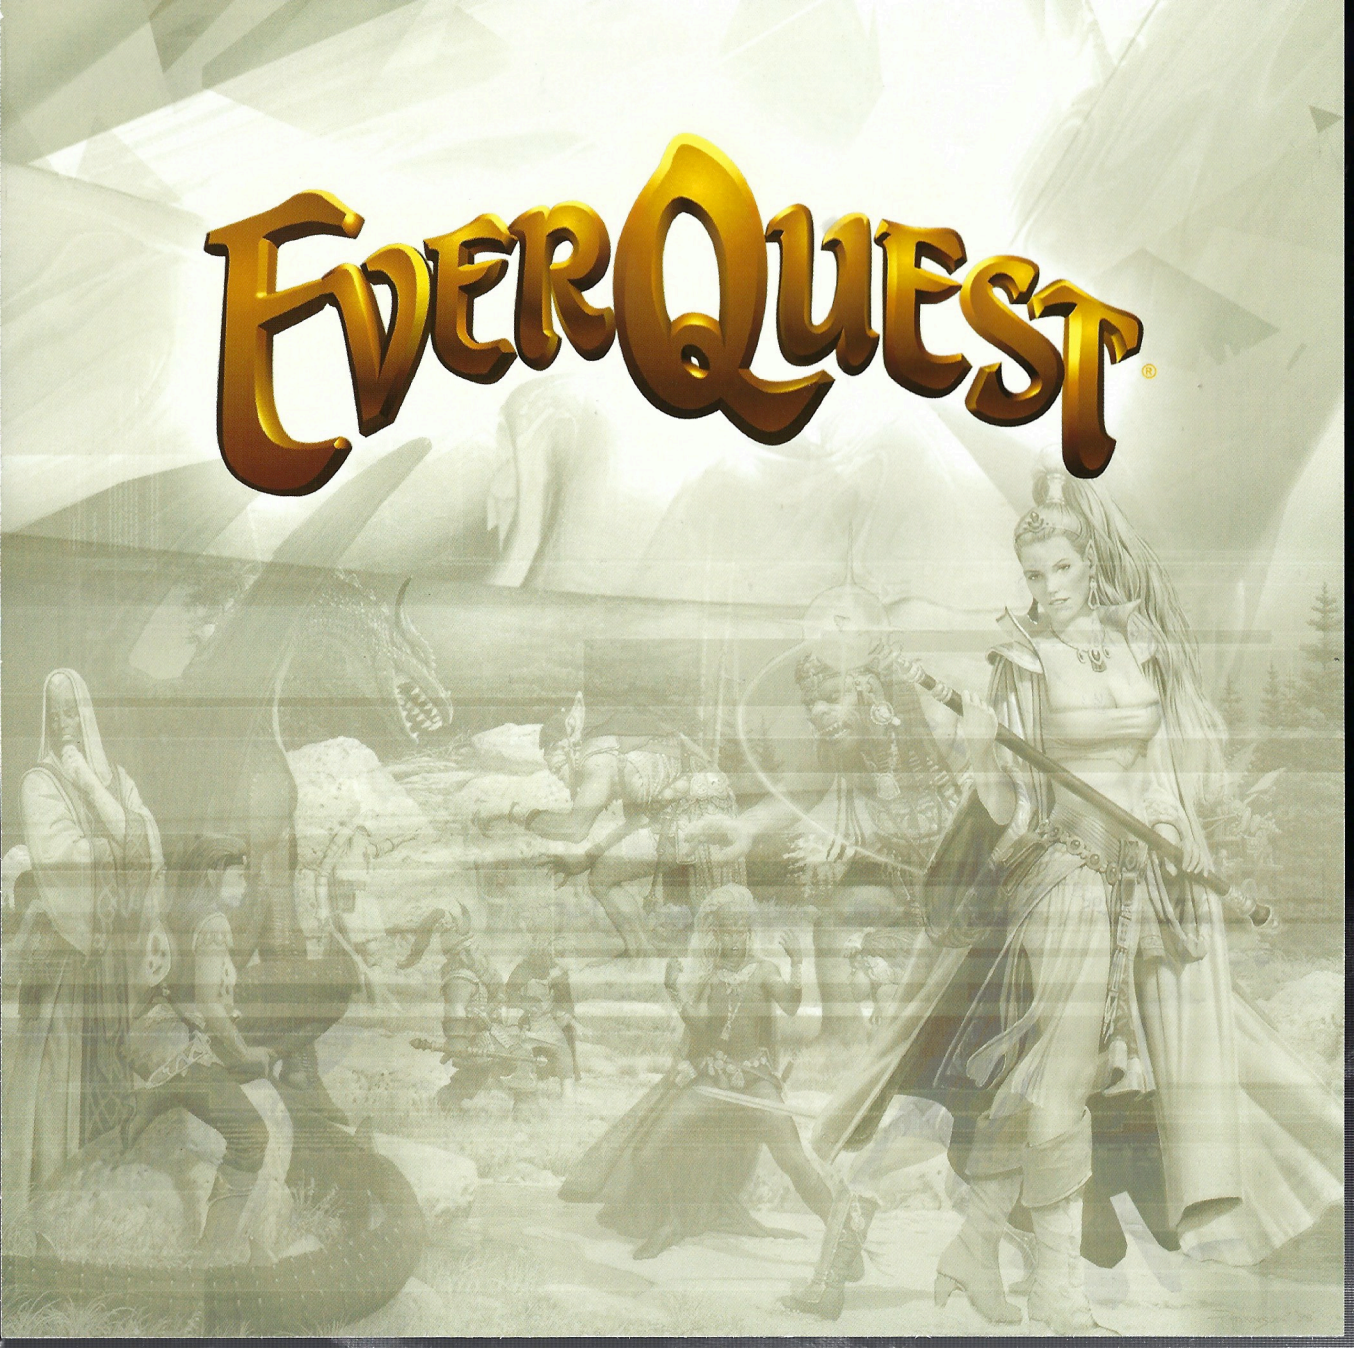
ENTERTAINMENT IS REVOLUTIONIZING
THE WAY GAMES ARE PLAYED!
Sony Online Entertainment Inc. (SOE), the online gaming division of Sony Pictures Digital Entertainment, is a worldwide leader in massively multiplayer online gaming. SOE creates, develops, and provides online entertainment for the personal computer, console, and online markets. With more than 12 million registered users, SOE's award-winning website, The Station® (www.station.com) hosts a variety of entertaining games and player communities spanning all genres. In addition to blockbuster hits EverQuest® and Jeopardy! Online, SOE has an array of cutting-edge online games in development such as PlanetSide™, Star Wars® Galaxies™, EverQuest II, and EverQuest® Online Adventures™, the world's premier online-only console game.
SOE™

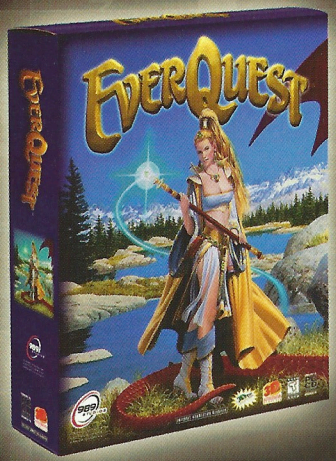


EverQuest®

IN 1999 ONE GAME DARED TO SET THE STANDARD

Welcome to the world of EverQuest. With over 420,000 subscribers and growing, EverQuest is the world's most engrossing online multiplayer game. Prepare to experience the most immersive online 3-D fantasy world ever created. Choose from countless bizarre races and other wildly imaginative options to design your perfect character. Journey through thousands of in-game quests, each with a dynamically progressing story. Strive with others – or against them- for honor, fame and fortune. It's an epic adventure unlike anything you've ever seen.

- Adventure online in a world populated by thousands of players
- Explore three enormous continents in the world of Norrath, travel across vast landscapes, and delve into dangerous dungeons
- Design your own unique character by selecting from 12 diverse races and 14 distinct classes
- Embark on a quest alone or join a guild for cooperative strength in numbers



EverQuest
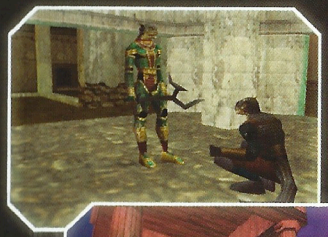
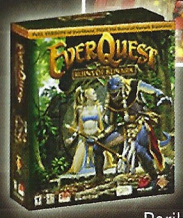
THE RUINS OF KUNARK
EverQuest
The SCARS OF VELIOUS
EverQuest
THE SHADOWS OF LUCLIN

EverQuest: The Ruins of Kunark

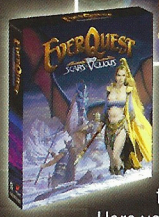




A lush jungle landscape. New enemies and allies revealed. Wondrous magical items for the finding. Perilous dungeons and ruins to explore. All this can be found on the continent of Kunark.

- One new playable race, the Iksar (lizardman)
- More than 20 new adventure areas contain both new user and expert zones filled with dramatic environmental effects
- Ability for players to exceed the level 50 character limit
- Hundreds of new NPCs, spells, items and more

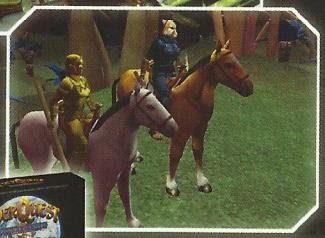
EverQuest: The Scars of Velious

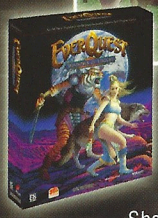


Dare to explore the lost continent of Velious, an area of Norrath forever scarred by the claws of the Great Dragon Veeshan. Here you will find some of the most dangerous and elusive creatures to ever roam the lands of Norrath. Challenge your resolve and adventuring skills as you set foot on the icy wastelands and explore a land locked in turmoil and conflict.

- 19 new perilous zones including: ice caves, crystal caverns, crypts, dungeons & frozen towers
- A new cast of visually stunning non-player characters including Frost Giants, Ice Dragons, Snow Orcs, Cave Bears, Snowfang Gnolls, Storm Giants and vicious Ottermen
- Dozens of quests for characters level 35+

EverQuest: The Shadows of Luclin





Luclin, the ringed moon has been rediscovered, and now Norrathians can venture to the eerie moonscape in The Shadows of Luclin. This expansion pack will be playable by all character levels and will provide gamers with additional character progression and hundreds of new items, spells, and creatures to battle.

- Introducing an all-new player character race and character class: The Vah Shir (Kerrans) and The Beastlord
- Eerie moonscape reveals 28 new adventure zones including a new starting city
- All new, highly detailed player-character models featuring 4x the number of polygons of prior characters

A VAST 3D FANTASY WORLD AWAITS THOSE BRAVE ENOUGH TO EXPLORE IT!
